Agreement Regarding Energy Data

The undersigned ("Member") has indicated its Intent to Participate in the formation of Maine PowerOptions, a program of the Maine Municipal Bond Bank ("MMBB") and the Maine Health & Higher Educational Facilities Authority ("MHHEFA"). To carry out the development of the consortium, MMBB and MHHEFA and Member more specifically agree to the gathering and tabulation of relevant energy data as described below. Throughout this Agreement, references to Member also include the Member's affiliates.

Member will provide data that MMBB and MHHEFA reasonably requests for the purposes of 1) describing and evaluating Member and its integration into the consortium, 2) describing the business volume and characteristics of the consortium and various subsets, 3) representing the group to potential suppliers, aggregators and other service providers, 4) calculating group benefits, and 5) other purposes consistent with the aims of Maine PowerOptions. Member also agrees to facilitate MMBB's and MHHEFA's efforts to obtain information directly from its suppliers or others with access to needed data; the "Authorization to Release Information" will evidence its approval.

Member understands its data may be obtained and used by MMBB and MHHEFA in disaggregated form and that MMBB and MHHEFA expects to release consortium information only in aggregated formats, combined in various ways for evaluation. MMBB and MHHEFA agrees not to identify Member's data without express consent, or to release disaggregated data unless Member, by virtue of size or load characteristics, is unavoidably the sole member of an evaluated class. MMBB and MHHEFA will use its best efforts to avoid publishing analyses that single out members and to mask identities in any such presentations.

MMBB and MHHEFA agrees that, absent a lawful order, it will not release Member's identifiable disaggregated data to any party not directly related to Maine PowerOptions, including potential or engaged suppliers, without Member's specific written approval. Member specifically acknowledges that its data may be or may become available to others through sources other than MMBB and MHHEFA.

In the event of withdrawal from Maine PowerOptions, Member's data will be excluded from subsequent MMBB and MHHEFA analyses and MMBB and MHHEFA will have no further right to access, or responsibility to maintain the information.

Upon request, a copy of its data will be provided to Member.
